## Get back into your account

**verification step 1** > choose a new password

Please choose the contact method we should use for verification:

Approve a notification on my authenticator app

Approve the notification we're sending to your app by entering the number shown below.

**94**

Cancel

**Bước 5:** Nhập mật khẩu mới --> chọn **Finish** để hoàn tất.

This is a screenshot of a mobile browser displaying the password reset page. The browser's address bar shows the URL: https://passwordreset.microsoftonline.com/?ru=https%3a%2f%2flogin.microsoftonline.com%2fcommon%2fprocess. The page content is identical to the previous image, showing the UMT logo, the heading 'Get back into your account', and the 'verification step 1 > choose a new password' section. In this step, there are two input fields: '\* Enter new password:' and '\* Confirm new password:'. Below the first input field is a 'Password strength' indicator. A blue callout box on the right provides instructions: 'A strong password is required. Strong passwords are 8 to 256 characters and must combine uppercase and lowercase letters, numbers, and symbols. They cannot contain your username.' At the bottom, there are two buttons: 'Finish' (highlighted in blue) and 'Cancel'.
